

Chess Club and Family Swim

The Bridgewater Recreation Department will be sponsoring a chess club and family swim with and held at the Somerset Valley YMCA. Chess is all about focusing, concentrating, anticipating, evaluating, thinking concretely, thinking abstractly, visualizing, planning, and learning to juggle about a dozen considerations in your mind all at once. Come and join us to learn many moves and tricks – play with pawns, knights, bishops, rooks, the king and the queen. If you're a beginner, learn the moves step by step. If you already know the moves, play the game and learn some new tricks. Add family swim to the mix, and you have a great night of fun and learning. By signing up for the chess and swim combination, the immediate family can partake in an hour of swimming (the kiddie pool will also be available). Take advantage of an opportunity for your child to learn and have fun as a family.
